IMPORTANT NOTICE TO ALL STUDENTS

All Colleges/Schools of Mercer University require students to meet with their advisors for academic planning. During advising, students will determine their desired course schedule and alternate courses for registration. The advisor will release the advising registration hold after advising has occurred. It is the student’s responsibility to follow their academic plan as advised.

In an effort to provide you with better service and important information, when you initiate the registration process you will see a document on your MyMercer Portal. You will be asked to electronically sign and acknowledge that you have read this information and understand your student responsibilities. Electronically signing this document will be a requirement in order to gain access to the registration process. You will need to complete the form twice each year prior to summer/fall and prior to spring.

FINANCIAL AID

In order to receive consideration for Federal funds for the 2020-21 Academic Year, the 2020-21 Free Application for Federal Student Aid (FAFSA) must be submitted for processing and the results RECEIVED in the Office of Student Financial Planning. No federal funds can be awarded without a processed FAFSA. If you have not completed your 2020-21 FAFSA, you may complete the FAFSA online at www.fafsa.ed.gov.

Please note the 2019-20 FAFSA application is also available at this time. You will need to complete the 2019-20 FAFSA for your enrollment beginning Summer 2020.

If you are a Georgia resident and wish to apply for state aid but do not want to complete a FAFSA, you must complete a Georgia Scholarship/Grant Application (GSFAPPS) by going to www.GAFutures.org.

Scholarships and Grants are not available for the summer term. Students may receive State and/or Federal funds for which they have remaining eligibility, as well as any outside sources for which they qualify for the summer term, as long as funds remain available.

Forms are available on the Macon campus at the Student Health Center, Bursar's Office, and Registrar's Office. A registration hold will be placed on a student's record for non-compliance. Information is available on the Mercer website at http://medicine.mercer.edu//files/shc-immunization.form.pdf/.

LIBRARY INFORMATION

Currently enrolled Mercer University students use their Bear Cards to gain access to the Library through the main entrance or lower entrance, check out library materials, generate print jobs from library computers, make photocopies, and access 24-hour study space when in-person Library services are closed. The library homepage, http://libraries.mercer.edu, provides access to the catalog and links to library information, resources, and services. A discovery service allows students to search many of the databases simultaneously. This service provides an option to search the library's physical holdings (books, DVDs, etc.) and licensed content (journal articles, ebooks, etc.) at the same time. Students may access online resources off campus by logging into the library home page using their Mercer University ID (MUID) and password. Research assistance is available through instant messaging, email, individual consultations, how-to videos, online research guides, online Library FAQ's, and classroom instruction. The first floor of the Jack Tarver Library on the Macon campus is also home to Einstein Bros. Bagels. Coffee, sodas, sandwiches, soups, and assorted baked goods can be purchased at this location throughout the day. Cash, credit cards, and Bear Cards are accepted. For additional information on library services, call (478) 301-2961 (Circulation) or (478) 301-2055 (Research Services).

STUDENT IDENTIFICATION NUMBER

Your Mercer Identification Number is a unique eight digit number randomly generated by the student information system. Although the Mercer Identification Number allows you to perform a variety of transactions, including registering for classes (both in person and on the Web), requesting a transcript, and paying your tuition, there will be some instances where you must still use your Social Security Number. Government requirements call for the use of Social Security Numbers when
applying for employment, completing financial aid forms, claiming veteran benefits and for meeting other similar requirements.

*********************************************************

**THE BEAR CARD**

It’s your official ID. It’s your access for everything. Using the contact-less capabilities in your smartphone, the Bear Card now grants access to services normally featured in a traditional physical plastic ID card. The Mobile Bear Card, along with our Cloud Card Online Photo submission, eliminates the need to visit the Bear Card Office in person therefore continuing Mercer University’s commitment to minimize exposure and maintain social distancing. By default, mobile credentials will be activated for all incoming students. A physical card may be purchased for $35.00 at the Auxiliary Services Bear Card Office located on the Atlanta and Macon campus. Enrollment verification and government issued ID is required. From accessing your residence hall to making photocopies. It’s the Mercer Bear Card and when you’ve got it you can breeze through college life one convenient swipe at a time.

**BEAR CARD ACCOUNT**

Bear Bucks Account is a prepaid stored value account that’s part of your Bear Card. It’s a convenient, cashless way to pay for your purchases on and off campus. Many of the area’s most popular local businesses accept the Bear Card and you can use it to pay for school supplies, restaurants, delivery, and more. To use the Bear Bucks account simply deposit money into your Bear Card Account and the balance will decline with each purchase you make. You can deposit money into the Bear Bucks Account in a number of easy ways, including online at [www.bearcardoffice.com](http://www.bearcardoffice.com), at Value Transfer Stations (VTS), by mail or by visiting the Bursar’s or Bear Card Office. Any balance on your Bear Bucks account at the end of the academic year will remain available for use when you return to school the following academic year. Withdrawals of funds from the Bear Card account are not available unless you are withdrawing from school or graduation, provided that you do not have a balance due on your tuition account. Funds greater than $25.00 will be returned with a written request. Please make sure you read the Bear Card disclosure very carefully for a complete listing of terms and conditions.

The MEAL MEMBERSHIP ACCOUNT:

Meal Membership is required for all Freshmen, Sophomores, and Juniors living in campus housing including the Lofts at Mercer and allows access to all food services locations on campus. Residence hall students must select a meal plan option as part of their housing contracts. The Meal Membership is optional only for Senior students with over 90 accumulated hours and students who live off campus.

For more information about the Bear Card visit our web site at auxiliary.mercer.edu.

**OFFICE OF THE BURSAR**

The Office of the Bursar is primarily responsible for billing, applying payments, monthly payment plans, Bear Card transfers, and issuing refunds/stipends. Our office is open Monday-Friday from 8:30 a.m. to 4:30 p.m., with the exception of Thursdays when our office closes at 1 p.m. General information and forms can be found at bursar.mercer.edu.

Mercer University offers monthly payment plans for current term tuition and fees. For more information, and to enroll, please login to your MyMercer portal and choose “Pay and Manage My Account.”

**Statement of Student Responsibilities/Registration Hold**

Prior to registering, students are required to read and sign the Statement of Student Responsibilities acknowledging their understanding of the financial obligations associated with enrollment at Mercer. This document is available in the My Mercer Portal and must be completed online each term in order to register.

All out of pocket balances are due by the first day of class. Billing statements, transaction details and payment options are available through the my Mercer Portal.

Failure to pay your balance may result in the immediate cancellation of your schedule and/or the assessment of holds, late fees, and possible collection activity. The University also reserves the right to deny access to, or
use of, any University facilities including dining halls, campus housing and the library, in the event a student's course schedule is cancelled.

Students who need assistance with meeting their financial obligations should contact the Office of Student Financial Planning or the Office of the Bursar.

**REFUNDS and WITHDRAWALS**

Students who formally withdraw from the University prior to the end of the drop/add period for any term of enrollment will be entitled to a full refund of tuition and fees.

Students who formally withdraw from the University after the end of the drop/add period and before the published last day to withdraw may be entitled to a pro-rated refund of tuition and fees. However, financial aid awards may also be reduced. The student may owe a balance after adjustments are made.

Students who do not formally withdraw may be subject to significant financial penalty. If a student fails to notify the University of his/her intent to leave Mercer, the student’s financial aid may be returned to the funding source, resulting in a large balance that is the student’s responsibility to pay.

Please refer to the University Catalog for specific refund and withdrawal information. Before making a decision, it is prudent to discuss the impact of withdrawing with your Financial Aid counselor and/or Bursar’s Office.

**Deleting Your Information from the Mercer Directory**

Students may request that their names not be published in the on-line directory. If you do not want your name and email to appear in the directory, you must place a student directory restriction.

To delete your information from the University Directory follow these steps:

1. Log into MyMercer
2. Under the “Student Privacy Tab”, Click “Online Directory Privacy”
3. Check the box and click the save button.
4. A message will then be displayed saying “Privacy is now set”.

If in the future you do wish your name and information to appear, you will need to release this restriction in MyMercer. To do so, follow steps 1-2. In step 3, uncheck the box and click the save button. A new message will appear saying “privacy is now cleared”.

**IMPORTANT NOTE:** This restriction applies only to the Mercer Directory. The University at its discretion and without the written consent of the student may release the following items: student name, address, e-mail address, telephone number, date and place of birth, academic program, dates of attendance, degrees and honors received, most recent previous institution attended and participation in officially recognized activities and sports. To request non-disclosure of this information to all other third parties, contact the Office of the Registrar.

The Family Educational Rights and Privacy Act (FERPA) affords students at Mercer University certain rights with respect to their education records. These rights include:

1. The right to inspect and review a student’s education records within 45 days of the day the Office of the Registrar receives a request for access.

   The student should submit to the Registrar a written request that identifies the record/s the student wishes to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the Registrar does not maintain the records, the student shall be advised of the correct official at the University to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate.

   The student may ask the University to amend a record that he/she believes is inaccurate. The student should write the Registrar, clearly identify the part of the record he/she wants changed, and specify why it is inaccurate. If the University decides not to amend the record as requested by the student, the Registrar, or other appropriate official if the record is maintained by another office, will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education record, except to the extent that FERPA authorizes disclosure without consent.

   One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A “school official” is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement personnel and health staff); a person or company with whom the University has contracted (such as a attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

   A school official has a “legitimate educational interest” if the official needs to review an education record in order to fulfill his or her professional responsibility.

   Another exception, which permits disclosure without student consent is disclosure to officials of another school, school system, or institution of post-secondary education where a student seeks or intends to enroll. Upon the request of an institution in which a student seeks or intends to enroll, the University will forward the student’s education records to the requesting institution. Upon request, the student may obtain a copy of the record that was disclosed and have an opportunity for a hearing as provided above.

   As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records — including your Social Security Number, grades, or other private information — may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records,
and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

4. The right of a currently enrolled student to request that his/her "directory information" not be released by Mercer University.

The University at its discretion and without the written consent of the student may release "directory information" which includes the following items: student name, address, e-mail address, telephone number, date and place of birth, academic program, dates of attendance, degrees and honors received, most recent previous institution attended, participation in officially recognized activities and sports, and photographs or video images.

A student request for non-disclosure of the above items must be filed with the Office of the Registrar.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Mercer University to comply with the requirements of FERPA.

The schedule and procedures for early Registration will be published during each term. During Early Registration, students will generally register by hours earned. Notice will be sent to each student giving earliest registration time and instructions for registering via the Internet. Only currently enrolled students are eligible for early registration. New and readmitted students may register following the scheduled early registration period each semester.

ITEMS TO REMEMBER

Special Course Requirements

Many courses require departmental/instructor approval for registration or have specific prerequisite requirements. See the current University Catalog for pre-requisites and course descriptions.

PLEASE REVIEW COURSE REQUIREMENTS ON THE COURSE SCHEDULE ON MYMERCER.

Private Music Instruction

A limited number of students can be accepted for individual lessons in voice, organ, piano, and orchestra and band instruments. A special fee is charged for this instruction and one to two hours credit may be earned. Students must be taking other courses at Mercer in order to be eligible to take lessons. Instructors and times and course/call number for individual lessons may be arranged through the School of Music. Students must register for private music lessons during the registration period.

Special Grading

Satisfactory/Unsatisfactory Grading Option (S/U). Students in the College of Liberal Arts, Tift College of Education, Townsend School of Music, and Stetson School of Business and Economics are permitted to take two courses per year on a "satisfactory/unsatisfactory" basis. Students must indicate the "S/U" grade option on their registration form or submit a "change form for optional satisfactory/unsatisfactory grading basis" (required if students registers via the web) and have until the fourth class day of the semester (end of late registration, drop/add period) to change the grade option. Courses graded on the "S/U" basis count toward total hours earned but do not affect quality hours nor carry grade points. As other stipulations do apply, please refer to the University Catalog for further information on the Satisfactory/Unsatisfactory grading option. Students planning to attend any graduate schools/programs should be aware of the program's rules regarding S/U grades.

Class Audit. Full-time students may audit, with appropriate approval, any courses for which they are eligible. There is no special audit fee for one course for full-time students. Courses audited may not be established for credit by examination, nor may audit courses be changed to credit courses after the last official course change day. Auditors submit no daily work, take no examinations, and receive no credit for courses audited. They may participate in the class discussion only with the permission of the instructor. An official entry of "Audit" on the permanent academic record shall be made only if 75 percent of the classes are attended. Students should register for desired courses on an "AU" basis at the point of registration. Please refer to the University Catalog for further information on auditing restrictions.

Course Repeats. A student may repeat a course in which he/she earned a grade of D, F or U in order to improve the grade, and have the second earned grade replace the first. The original course attempt and grade will remain on the record, but will not affect the GPA. Refer to University Catalog for limitations on repeating courses.

Cross Registration

Traditional day students with extraordinary circumstances who need to register in evening courses must get permission from the dean’s office of their home school and the dean’s office of the host school, in addition to
their advisor’s approval. A separate registration form is required. Students who do receive approvals may not be registered in those courses until after evening programs’ registration for the term/session.

**Attendance on First Class Day**

The demand for registration in many courses exceeds the enrollment capacity, with the result that these classes often “close” during the early and open registration periods. Some courses carry "Wait Lists" for students interested in registering for these courses should space become available. It is mandatory that students attend classes on the first class day of the semester. Students who are absent on the first class day, who have not made prior arrangements with the instructor, may be disenrolled from the course in order to allow registration of students on wait lists. However, students should not assume they will be dropped for non-attendance.

Mercer students who cross-register for any courses will be charged tuition rates consistent with their Mercer home college or school.

************ EARLY REGISTRATION SCHEDULE ***********************

**THE WAIT LIST OPTION**

Most courses can maintain a wait list after reaching the enrollment limit. The University uses the lists of names appearing on wait lists to determine the actual demand for a particular course and the possibility of adding sections of needed classes. The names are recorded on the wait lists in the order of demand.

When classes you have selected are closed, you should plan to select one of your alternate courses. However, your name CAN be placed on the “wait list” for the closed class.

❖ WAIT LISTS ARE LIMITED AND WHEN FULL, YOU CANNOT BE ADDED TO THE WAIT LIST.

❖ You may only be wait-listed for ONE section of any course. If you really need the course and space is available in other sections, you should go ahead and register for another section if your schedule permits.*

❖ You may not wait list for a different section of a course for which you are registered.*

❖ If a space becomes available in a wait-listed course, the FIRST person on the wait list will be placed in the class and others on the list will move up in line (exceptions will be made in SCP courses - see below). IF YOU ARE REGISTERED FOR ANY OTHER COURSE AT THE SAME TIME AS THE WAIT-LISTED CLASS, YOU WILL BE DROPPED FROM THE WAIT LIST - NOT REGISTERED INTO THE CLASS!!

❖ Following the above guidelines, be sure to get on the wait list for closed classes you need. You can go ahead and register for alternate courses NOT taught in the same time period. YOU MUST LEAVE THE TIME PERIOD FREE FOR POSSIBLE AUTOMATIC REGISTRATION IN COURSES YOU HAVE WAIT-LISTED.

❖ If you are automatically registered in your wait-listed course, the Registrar’s Office will send a copy of your new schedule to your Mercer e-mail account.

* STUDENTS WHO APPEAR ON WAIT LISTS FOR MORE THAN ONE SECTION OF A COURSE, OR WHO ARE REGISTERED FOR ONE SECTION AND WAIT LISTED ON ANY OTHER SECTION(S) OF THE SAME COURSE WILL BE DROPPED FROM THE WAIT LIST(S). CHECK MyMercer REGULARLY FOR CHANGES IN YOUR SCHEDULE; YOU WILL NOT BE NOTIFIED OF THESE DROPS.

REMEMBER: If you change your mind about a class you have wait listed, please use MyMercer and “drop” the wait-listed class. or come by the Registrar’s Office so that we will not register you automatically if space becomes available. Also, your name on the wait list can prevent others from registering for the class! See the academic calendar for the date web registration closes each term.

Please call or visit the Registrar’s Office 478- 301-2494, Steambridge Center, if you have additional questions.
